FORMAT

Each court will play two sets with a 10-point tie breaker if the teams split sets. You can think of this as a combo-tri-level format. Each match has one potential point per court so every court matters. Details will be clearer once we have completed the registration. We are wanting to make this competitive, but fun for all levels.

Please let us know ASAP if you would like to captain a team. Each captain is welcome to invite players to play on his/her team after they sign up. The directors will help fill teams to even out levels.

Players will need to register and pay the \$20 league fee at the pro shop by October 15th or until no more places are available. There will be limits on each playing level so do not delay. Make sure you register at your current USTA level. If you do not have a current USTA rating, please register based on who you are currently playing against. If you still need help feel free to contact the club pros for help. The league fee will be used to reserve the required soft courts and supply tennis balls for all matches.

NOTE: You need to pay at the time you register to actually be registered!

See you on the courts!
